DOOMWALI**

CURRICULUM SHEET

Term I & Term II
Academic Session 2026 – 2027

Educational Framework

Eastwood International School provides a balanced and holistic education that nurtures intellectual, emotional, physical and creative growth. The curriculum integrates strong academic foundations in English, Hindi, Punjabi, Mathematics, Environmental Studies / Science and Social Science with regular engagement in Computer Education, Visual Arts, Music, Value Education, General Knowledge and physical activities including Games, Dance and Taekwondo.

Language development is prioritised so that students communicate confidently in English while remaining rooted in Hindi and Punjabi. Learning is continuous and formative, supported by practical work, creative expression, map skills and value-based experiences that build empathy, resilience and responsibility.

This Curriculum Sheet presents the planned learning content for Term I and Term II. Classes IX to XII follow the curriculum prescribed by the Central Board of Secondary Education (CBSE).
